

Do I have to live in Wisconsin to run for Miss Czech-Slovak WI State Queen or participate in the Miss Czech-Slovak WI State Queen Pageant?

Queen Candidates

In general, most of our candidates for Miss Czech-Slovak WI State Queen live full-time in Wisconsin. However, you may attend college/university in another state and still run for queen if your permanent home address is in Wisconsin.

Junior Royalty & Little Siblings:

In general, most of our Jr. Royalty and Little Siblings live in the state of Wisconsin. There have been a few instances where participants have lived outside the state but are here with family members attending the festival. Often these are also people who live in a state where there is no state sponsored Miss Czech-Slovak pageant. Please contact the Miss Czech-Slovak WI State Queen Pageant Committee if you live outside of the state and would like to participate. We consider these on a case-by-case basis.
