

## Sponsoring a candidate for the Miss Czech Slovak WI State Queen Pageant: FAQ

This document is designed to help parents, candidates, and businesses know what is involved in sponsoring a candidate for the Miss Czech-Slovak WI State Queen Pageant.

A sponsor of a queen candidate is someone who supports the candidate financially, physically, and emotionally. The sponsor:

- Pays the \$50 pageant sponsorship entry fee. This is generally due by May 31st of the application year, enclosed with the candidate's application.
- May be parents, grandparents, family friends, a community business, etc.
- Often travels with the candidate to various events, including the pageant to support their candidate in various ways, but this is not necessary.
- Will be listed on/in the program as the candidate's sponsor.

Really, that's about it! The biggest thing a queen candidate sponsor must have is being willing to support your candidate in pursuing her goal of learning about her heritage!
